Make four Four-Patch Unit

Method 1: Using Individual Squares

Assembly:

1. Arrange the four squares in two rows, alternating Fabrics A.
2. Sew the two squares in each row together. Press the seam allowances in opposite directions.
3. Place the rows right sides together, nesting the center seams. Pin if needed.
4. Sew the rows together. Press to complete the Four-Patch unit.

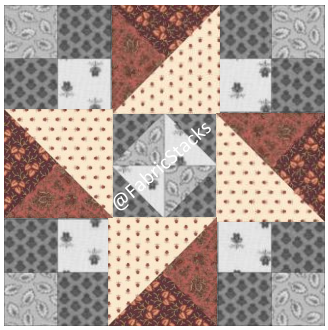

Method 2: Strip Piecing

Cut each fabric to 2½" × 10" strip.

Assembly:

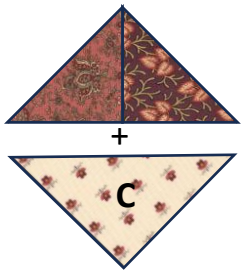

1. Place two strips right sides together. Sew along one long edge using a ¼" seam allowance.
2. Press the seam allowance toward the darker fabric.
3. Subcut the strip set into (2) 2½"-wide segments.
4. Repeat with the remaining pair of strips.
5. Arrange the segments to alternate the fabrics. Place them right sides together, nesting the center seams.
6. Sew the segments together using a ¼" seam allowance. Press to complete the Four-Patch units.

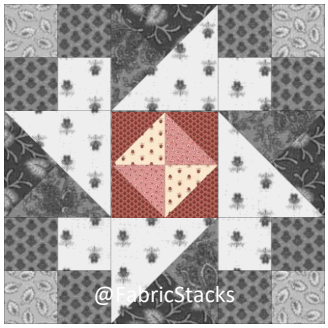

Assembly

1. Sew the **B triangles** together as shown in the diagram. Press.
2. Sew **triangle C** to the unit. Handle the bias edges gently to prevent stretching. Spraying the fabric with starch before cutting can help stabilize the bias edges.
3. Repeat to make a total of (4) units.

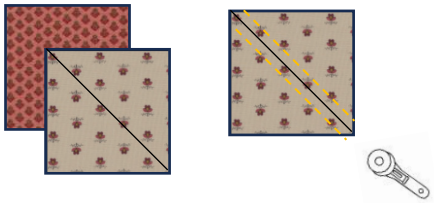

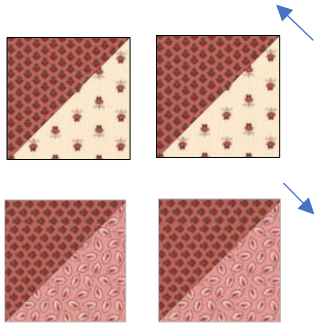

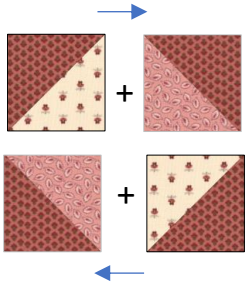

Make Half-Square Triangles (HSTs) — 2-at-a-Time Method

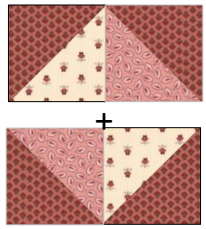

Assembly:

1. Place two **D squares** right sides together.
2. Draw a diagonal line from corner to corner on the wrong side of one square.
3. Sew ¼" away from both sides of the drawn line.
4. Cut along the drawn line to separate the units.
5. Press the seam allowances toward the darker fabric.
6. Trim each HST to the 2 ½” square.
7. Repeat to make a total of (4) units.
8. Arrange and sew (4) HST units together in a Four-Patch layout, following the diagram.

Complete the Block

1. Following the diagram, arrange the (9) units into (3) rows of (3) units each.
2. Sew the units together to complete each row. Press the seam allowances in opposite directions for adjacent rows.
3. Sew the (3) rows together, nesting the seams to ensure accurate alignment.
4. Press to complete the block.
